**Nominations may be submitted starting at 12 noon EDT, Thursday, March 26. The deadline for submitting nominations is 12 noon, Thursday, April 16.**

**If an election is required, your Union Local will decide how it wants to conduct the vote. If it chooses, it may opt to have ballots sent directly to you as a member and you will mail them back in a prepaid envelope.**

**For this reason, it is critical that your Local and the national office have your correct address. If you believe they might not, please contact both to update the information.**

**If you are voting by mail, completed ballots must be received in Ottawa by Friday, May 22. (If you do not receive a ballot by April 24 or your Union Local has not told you that you will vote at your place of work, contact the CWA|SCA Canada office at [info@cwa-scacanada.ca](mailto:info@cwa-scacanada.ca) or 1-877-486-4292 / 613-820-9777.)**

**Election results will be announced Monday, May 25. If you have any reason to believe an election irregularity occurred, you have seven days in which to file a challenge by contacting the National Election Committee through the national office.**
